

MINUTES OF GENERAL MEMBERSHIP MEETING

DATE: 12//02/10

President Donna Roberts opened the meeting at 4:30 PM.

The officers were introduced to the general membership.

The minutes of the previous meeting were read by acting secretary Russ Grove. The request for approval of the minutes as read was overlooked and should be approved at the next meeting.

Several housekeeping items were discussed.

President Roberts urged members and potential members to pay their membership dues to ensure a healthy cash flow for the club.

This meeting was also our Christmas Social so the meeting portion was "tabled" and we feasted on the goodies brought by everyone.

When we reconvened, President Roberts introduced our guest speaker for the evening, Bev Dietz, outgoing president of the Sun City Grand RV Club. She informed us that she had 29 days left in her presidency which was bittersweet.

The contents of her presentation was to inform our club of the varied duties and responsibilities of their membership. Their club has approximately 250 members and is quite active. At the conclusion of her presentation, she opened the floor to questions.

Her presentation was very beneficial and appreciated by all.

Larry Larsen will be our guest speaker at the meeting in January. Larry is an expert in the field of Rvs, so bring your best questions with you. The meeting will be January 6th, 4:30 at NC-2.

Trip director Ed Pfister took over the meeting and reviewed the Roosevelt Lake campout and answered questions.

The meeting was adjourned by President Roberts.

Respectfully Submitted by Russ Grove
