

November 4th, 2010

Minutes of General Membership Meeting

President Donna Roberts opened the first general membership meeting and introduced the officers in the club. They are:

President	Donna Roberts
Vice Pres	Bob Cathey
Treasurer	Sherry Pfister
Secretary	Judy Welch

Committees:

Historian Joel Salzman

Sunshine Hospitality Chairman Niva Salzman

Donna read the club's mission statement to the members present:

“To use our RV s and create a club where RV’rs have the opportunity to engage in group travel and participate in social activities as well as recreational and informational gatherings.”

Sherry discussed the dues. Payment of dues after January will be for the 2011 season. Your membership number will remain with you and will be used for identification on window tags and as duty assignments on future outings.

The general membership meetings will be the first Thursday of each month at NC2, 4:30.

The first 4 campouts will be in Arizona. To make this a great club, each member must contribute 100%.

The December meeting, December 2nd will be our Christmas social. The president of the Sun City Grand RV Club, Bev Dietz, will be a guest speaker so we need a good turnout.

VP Bob issued a need for Trip Masters for future campouts. There will be a need for committee members too as committees are formed.

The meeting on January 6th. Will have Larry Larson as our guest speaker. Larry is an RV expert and can answer any of your questions you may have..

Trip Master Ed Pfister took the floor and shared his excitement about the outing to Lake Roosevelt. Ed checked out the route and the campground recently and is excited about the prospects. He also looked into things to do while there. Club members will meet at Sam's Club parking lot beginning at 9:00 AM. Maps will be distributed and each camper will be given a KFC box lunch.

Spaces will be dry camping. There is water available at the campground. Some of the things to do include a boat launch, fishing, kayaking (bring your own). There is a dam overlook also. The campground is fairly close to Tonto National Park and a visitor center nearby. The ranger will give tours up to the dwellings in groups of 15.

Meals that are included are KFC box lunch, continental breakfast each morning, (coffee not provided), and dinners. Campers are on their own for lunches.

Ed suggested we come home on hwy. 60 thru Globe and Miami and return to HT.

The meeting was opened for questions.

One of the questions had to do with the use of generators and they are allowed during the hours of 6:00 AM to 10:00PM.

President Roberts adjourned the meeting at 5:00

Respectfully submitted,

Russ Grove, stand-in secy.
