Covid 19 Restrictions

There have been no changes in the Club Guidelines.

Rally Reports

December East Valley Holiday Gathering - Lost Dutchman State Park

Eighteen attended the rally. They enjoyed hiking and the many events/attractions nearby. A group of fourteen got in the holiday spirit at Barleen's Home for the Holidays Dinner Theater. Due to the number of members interested in this rally and availability of campsites in December, it was suggested this rally could be repeated.

March East Valley Rally – Lost Dutchman State Park

Six sites have been reserved. Connie will email members who signed up last season but have been unable to get reservations to verify they are still interested, and suggest they watch for site cancellations. The 2021 Arizona Renaissance Festival has been canceled.

Job Descriptions

Conrad requested all executive committee members review, update their job descriptions and bring to the January meeting to be posted on the website.

January Meeting

Conrad will check with Activities and notify membership regarding a January meeting.

2021 Rallies

Lone Pine – October 7-11, 2021

Covid issues reduced the Lone Pine Rally this year to 3 rigs, prompting Kayo to say "Let's try this again!" Kayo reserved 15 sites for October 7-11, 2021, during The Lone Pine Film Festival. She is anxious to get Rally information to club members and begin sign-ups. If we don't have a club meeting, she will prepare something Conrad can email to members.

Conrad asked Lorraine to forward email addresses of new members for his group list so they will get all club announcements from him.

Storage Area for the Club

The club needs a small storage space for banners, rally materials, laminating machine, etc. Conrad will inquire at Activities.

No Meet Ups are planned for this season and a 2021 Club Fair is not scheduled.

Meeting Adjourned.
